## WOW! 2 workshops this September

We start the autumn season this year with two workshops! Tim Lydon is holding a workshop on the 18th of the month (this date will be confirmed at the meeting). We look forward to seeing how Tim makes his magical pieces. I expect that club members will be drawn to his workshop like magnets.

On the Saturday of the same week (the 20th) a

closed workshop with Joss Naigeon (France) and Brendan Hogg (Ireland) will be held in John McGanns. This will start at 9.30 until 6.00.

I know that some of our gouges have a few spots of rust on them, after the rainy season. It's time to get inspired.

Lets give these two events our full support.

George
